Cal. No. 262

(As Amended)

"AN ACT CONCERNING EDUCATIONAL SUPPORT ORDERS."

1 Strike subdivisions (1) and (2) of subsection (b) of section 1 in their
2 entirety and insert the following in lieu thereof:

3 "(b) (1) An educational support order may be entered with respect
4 to any child who has not attained twenty-one years of age and shall
5 terminate not later than the date on which the child attains twenty-one
6 years of age or, if such date occurs during the child's academic year,
7 not later than the end of that academic year.

8 (2) On motion or petition of a parent, the court may enter an
9 educational support order at the time of entry of a decree of
10 dissolution, legal separation or annulment, and no educational support
11 order may be entered thereafter unless the decree explicitly provides
12 that a motion or petition for an educational support order may be filed
13 by either parent at a subsequent date. If no educational support order
14 is entered at the time of entry of a decree of dissolution, legal

15 separation or annulment, and the parents have a child who has not
16 attained twenty-one years of age, the court shall inform the parents
17 that no educational support order may be entered thereafter. The court
18 may accept a parent's waiver of the right to file a motion or petition for
19 an educational support order upon a finding that the parent fully
20 understands the consequences of such waiver."
